

Complaints procedure

It is the policy of Laugarne Pre-School to share our achievements, reflect on our work and look for ways to improve our service. We welcome suggestions and constructive criticism from all who use our service and aim to resolve any complaints quickly and informally.

We do this by:

- carrying out a regular review of our service (at least annually) that includes asking parents, children and others who may use our service for their views about the way we work, and acting on suggestions where practicable
- by keeping records of dates and actions taken of all suggestions, concerns and complaints
- Responding to comments, suggestions, concerns and complaints within specific time scales in line with relevant legislation and in a confidential and sensitive manner
- Designating a complaints officer (*Pre-School Leader*) to work with complainants to produce satisfactory resolution at the earliest opportunity
- Ensuring that all staff (including volunteers and students on placement) are familiar with the complaints policy and procedure and confidentiality is maintained at all times.

If you have a suggestion or a concern we hope you will:

- Speak to your child's key worker, or the person in charge (a mutually convenient arrangement can be made to discuss any issues in confidence and outside operational hours) or

Any action taken in response to suggestions, comments and concerns is fed back either verbally, in writing or if appropriate by the person in charge placing a notice on the notice board about any changes made to operations as a result.

If you want to make a complaint about the service you or your child receives, address your complaint to: Emma Bufton, Pre-School Leader

In all cases a written record of complaints is kept, which includes the following information:

- Name of complainant
- Nature of complaint

- Date and time of complaint
- Action taken in response to complaint
- Result of complaint investigation
- Information given to the complainant, including the date of response.

At any time, a parent can contact CIW about a registered service and at any time while a complaint is being resolved, the complainant has the right to complain to CSSIW or, where relevant, the local authority if they have arranged for the care of a child at this setting.

The role of CIW in complaints: CIW is happy to receive information about any social care service, but is not a complaints agency. In the event that CIW receives information about a registered service they will consider it and inform the complainant they will take one of the following actions:

- Refer the complainant back to the provider for resolution under their own complaints procedure
- Advise the complainant to contact an identified agency
- Undertake an inspection of the service within an identified timescale (a copy of the focused inspection report is sent to the complainant)
- Consider the information within the next planned inspection of the service.

Regional contact details for CIW are:

Government Buildings
Picton Terrace
Carmarthen

If the complaint is of a child protection nature, please speak to:

Emma Bufton, Pre-School Leader

Our child protection policy is implemented without delay.

If the complaint is about the registered person: the formal procedure must be followed and the regional office of CIW is informed. CIW may ask for a verbal complaint to be followed up in writing.

How we respond to a complaint: in Laugharne Pre-School we aim to deal with complaints quickly and effectively 'in house' within the following process.

Local resolution of a complaint (complaints are resolved within 14 days)

- The complaint is acknowledged within 14 days.
- The complaint is investigated. The registered person or who has been delegated to resolve complaints decides how best to do this in each case, but may involve:
 - Making arrangements for a meeting with all relevant parties to discuss the issues, when it is appropriate, and with the complainant's agreement
 - Advising the complainant about the availability of advocacy (someone of the complainant's choice who can advise them and/or act on their behalf) to assist during the procedure
 - A written record is made of the investigation, any discussion (including any witness statements) and any decisions or agreements made at any meeting
 - A written report and draft response is made for the chair of the management committee/nominated person and presented within 14 days of receipt of the initial complaint
 - The complainant is sent a letter within **14** days of receipt of their complaint informing them that their complaint has been resolved, and of any action that has been taken as a result
 - In certain circumstances, with the complainant's agreement, the 14 days can be extended for a further **14** days
 - The complainant is also advised that if they are unhappy with this process or the outcome of the complaint they can contact CIW
- Laugharne Pre-School makes a written record of outcomes of the

investigation, and any action taken

- A copy of the complaint record is kept for our records and a summary is made available for CIW at their request.

If your complaint is not resolved by the process above, you can use a more formal approach (or in some cases you may want to take your complaint to an external agency – such as the police or local authority - from the start).

Formal consideration of a complaint

The formal consideration can begin if either:

- The initial discussion has not been resolved and the complainant requests a formal consideration or
- The complainant wishes to go straight to this formal stage from the start.

This decision rests with the person making the complaint.

- These types of complaints are resolved as soon as reasonably practicable, and in any event within **35** working days of the request for formal consideration
- The outcomes of a formal consideration are confirmed in writing by the registered person to the complainant and summarise the nature and substance of the complaint, the conclusions and the action to be taken as a result
- A copy of a written response is sent by the registered person to the appropriate office of the body conducting the formal investigation and if applicable, to any local authority which has arranged for care for a child within Laugharne Pre- School
- The time limit may be extended with the complainant's agreement
- If the complaint has not been resolved within 35 working days of the request for formal consideration, the *registered person* notifies the appropriate office of the complaint and reasons for the delay in resolution.

Where complaints are subject to concurrent consideration: a complaint may be part of another wider investigation where another agency is also making an

investigation. In these circumstances, or where a complaint relates to any of the following matters:

- About which the complainant has stated in writing that they intend to take legal proceedings or
- The registered person is taking, or proposing to take, disciplinary proceedings or
- About which the registered person has been notified that an investigation is being conducted by any person or body in contemplation of criminal proceedings.

The registered person considers, in consultation with the complainant and any other relevant agency, how the complaint will be handled. In this case the registered person may decide to discontinue investigating the complaint subject to concurrent consideration if it appears that to continue would compromise or prejudice the handling of the wider investigation. In this case, the registered person:

- Asks CIW for advice
- Informs the complainant of the decision to discontinue
- Can resume the investigation at any time
- Ascertains the progress of the concurrent consideration and notifies the complainant when it is concluded
- Resumes consideration of the complaint where the concurrent consideration is discontinued or completed and the complainant requests that the complaint be considered.

At all times during any complaint investigation Laugharne Pre-School places safeguarding and protection of children as their highest priority.

This **complaints and children's complaints** procedure for use in Laugharne Pre-School was approved by:
